Now entering its seventh year, Share the Love Gala is the premier fundraising event for CASA of Ellis County. Share the Love Gala 2017 drew over 400 event attendees and community volunteers with net proceeds over \$80,000.

State Representative John Wray, Texas CASA President Greg Wilhelm, and Ellis County Court at Law #1 Judge Jim Chapman join CASA of Ellis County Executive Director Rhodie Rawls to honor CASA volunteers and the children they serve at the Share the Love Gala 2016.

Funds raised at the event are not only used for training programs for volunteers who work with abused and neglected children, but also go towards incidentals of foster care children such as replacement eye glasses, tutoring, sports programs, certain therapies, laptops for graduates and birthday gifts.

Founded in 2004, CASA of Ellis County is a 501(c)3 nonprofit organization whose mission is to provide trained community volunteers to advocate for abused and neglected children in order to find safe, permanent homes.

Our volunteer advocates meet monthly with their children, and submit recommendations to Judge Jim Chapman to help him make decisions regarding their best interests. With your help, we can provide volunteer training so we can continue to serve 100% of the children that are removed by CPS in Ellis County. Funding from Share the Love Gala also helps with incidental expenses of children in foster care that are not covered by Medicaid or the State.

Some 2016 agency highlights include:

- Served 150 abused or neglected children.
- Recruited, screened, trained and swore in 20 new volunteers, bringing our total to 70.
- Logged almost 4,000 hours and 36,000 unreimbursed miles by CASA volunteer advocates in serving children on their cases.
- Assisted in the positive resolution of 58 children being placed in safe and permanent homes through successful reunification with parents, adoptions, or legal conservatorship with relatives.

CASA...A Voice for Every Child

Our CASA volunteers work closely with each child on a case until it is resolved. Here are some tiny moments that some of our CASA kids shared with their volunteers. The names have been changed to protect the identities of the children.

So just give me away like everybody else has.

Tiffany, 15

My mom punched me in the throat and it hurt for a week. I asked her to take me to the doctor and she wouldn't. Am I going to have to go back to live with her after the hearing next week? Amy, 17

I ASKED GOD TO PLEASE JUST COME DOWN HERE AND HELP ME. ROWAN, 8

A lot of bad decisions have been made for me, and I've made a lot myself. My life is crazy and all over the place and sometimes I am all over the place too, but I thank you for never giving up on me and always believing in me and believing in a better outcome for my life.
